Summary

Standard electronic transcripts. Establishes the Indiana e-transcript program (program). Provides that the commission for higher education shall administer the program. Provides that, beginning July 1, 2015, the program will allow all students at all accredited high schools to request that their transcripts be transmitted electronically to state educational institutions, participating Indiana not-for-profit or privately endowed institutions, and participating Indiana institutions authorized by the board for proprietary education. Provides that a governing body of an accredited nonpublic secondary school may elect to use the common electronic transcript. Requires the department of education, in collaboration with state educational institutions and the commission for higher education, to develop a common electronic transcript.
